Student of Month

Snacks are available for purchase in the Elementary Office.

If your child test positive for COVID, contact the office. Moss School follows the CDC protocols and will inform you of a return to school date. If the office is not contacted, your child will be marked absent and it counts against his/her attendance.

Doctor's notes should be brought when an absence is due to an appointment. This absence will be excused. Remember if your child's note states he/she cannot be at school for a period of time; this means he/she cannot participate or attend school activities during those days. This includes after school functions.

This week, our HS Baseball & Softball teams are competing in the Regional Playoffs. If both teams go to state next week (Oct 6th & 7th), we will have virtual days. Students will complete packets for those days and return them to school the following Monday. If only one team plays at the State tournament, school will be in session. Information will be passed along as soon as possible.
